SAVE THE DATE!!

NAM Summer Festival returns for More Fun in the Sun

Mark your calendar and get your sunglasses ready because you won't want to miss celebrating with thousands of friends and neighbors.

You never know what Superheroes and Royalty might show up to say hello.

From July 8-11th plans are in the works for 4 big days of fun, food, music, prizes, and more.

This year's entertainment will bring in a new ride company with awesome new rides and new carnival games.

The childrens area will be up and running again with great inflatables.

Thank you to those who have purchased or sold raffle tickets and sponsorships,

volunteered their time, or shared a smile with us.

Remember... the success of the Festival is up to all of us at St. Michael's, North American Martyrs and NAM School.

See you at the FESTIVAL!

Visit www.namfestival.com for all the latest festival information.
