

North American Martyrs Alumni Information

As part of an ongoing effort to keep record of our NAM Alumni we would like to take this opportunity to ask each of you who have graduated from our school to complete the information below. Throughout the years, we have changed and developed many different aspects within our school community and are eager to share these events. In previous years, we have held alumni events and would like to continue this tradition. Our school would like to keep our alumnus informed of all of the remarkable changes and invite you to join in our efforts and celebrations. We appreciate the continued support of our school and parish families as well as the many benefactors of NAM. Please feel free to contact our Advancement Director, Jennifer Speranza at 412-373-0889 extension 24 or by email speranza@namschool.org for any information.

Please complete the following information below and return to the church/school office at your earliest convenience.
