

Pennsylvania Primary 2016: Catholic Voter Information

In our commitment to follow Jesus Christ we must do more than just show up for Mass on Sunday morning, we must bear Christian witness in all we do – in our homes, in our work and recreation, in our interaction with the world around us, and in the public square.

Any politics of human dignity must seriously address issues of racism, poverty, hunger, employment, education, housing, and health care. Therefore, Catholics should eagerly involve themselves as advocates for the weak and marginalized in all these areas. *But being 'right' in such matters can never excuse a wrong choice regarding direct attacks on innocent human life.* Indeed, the failure to protect and defend life in its most vulnerable stages renders suspect any claims to the 'rightness' of positions in other matters affecting the poorest and least powerful of the human community. If we understand the human person as the 'temple of the Holy Spirit' -- the living house of God -- then these latter issues fall logically into place as the crossbeams and walls of that house. *All direct attacks on innocent human life, such as abortion and euthanasia, strike at the house's foundation.* These directly and immediately violate the human person's most fundamental right – the right to life.
