

Dear NAM School Supporter:

Our 2015 NAM School Golf Outing was a huge success! With the funds that we were able to raise we made significant upgrades to the technology equipment for our students. Those improvements included:

- Lenova chromebooks grades 6 - 8
- SMARTboards in every classroom
- HP all-in-one computers
- WiFi Access points throughout the school
- Roxio VHS convertor to convert our collection of VHS tapes into digital format
- New website utilizing Weebly Pro

To continue making improvements in the technology area with additions/upgrades to our school's STEM Lab will take the help and generosity of businesses and individuals just like you.

Please consider making a contribution to the 2016 outing in one of the following ways:
