A Lenten Morning of Reflection
(Prayer, Presentation, Discussion)

From its earliest days, the Church has seen Lent as a time to remember our baptism. Join us in reflecting on our baptism and preparing our hearts for the work of discipleship.

◇ Through baptism, we become members of the Body of Christ and share a common bond with all other Christians. We are not alone; we share our journey with our brothers and sisters in Christ.

◇ We share responsibility for the mission of the Church through baptism. Jesus calls us to discipleship, to share our unique gifts with the Church, to step up and lead others in faith. This is what it means to be *On Mission!*.

◇ Our baptismal call belongs to all of us. By virtue of our baptism, each of us is called to experience Jesus more closely by considering what it means to follow him.

◇ In the waters of baptism, we are made like Christ and become beloved sons and daughters of the Father. Through baptism, the Holy Spirit sends us forth to help others learn, love and live Jesus. This is the call of ALL the baptized, not just a few.
