

Remember or Honor Your Loved Ones With an Easter Luminary

During Lent, the Youth Ministry Program will be taking orders for Easter Luminaries. These are different than the ones at Christmas, see picture above. These Candles will be lit and arranged around the church on the Easter Vigil. We are even going to set up luminaries at St. Michael's Church on Holy Saturday.

Luminaries are \$10.00 each.

In our culture today luminaries are a traditional way of remembering

a deceased loved one or living relative.

They bring light and beauty to the celebrations while they send

our prayers to heaven.

Easter Vigil is showing us how important the Light of Jesus is for us in our

lives, so what better way to honor or remember our loved ones

at this very important time in our lives.

The profit from these luminaries will subsidize the Youth Group activities. Thank you for your support!

Please make checks out to North American Martyrs youth ministry.
