NORTH AMERICAN MARTYRS PARISH

Two Churches ~ One Community

Do you know of any businesses that would like to sponsor our NAM Festival? We have a great parish base and over 15,000 customers that come to our Festival each year. Sponsorship is a great way to help raise our Festival fundraising goal and is a great way to get your business noticed and money well spent. Contact Donna Balcik if you are interested in sponsoring our festival next year through email to balcik@comcast.net.
